NOTES

- Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Welt trim and heavy thread top stitching add refinement and durability
- Padded arms enhance comfort and reduce pressure on forearms
- Lay-flat mechanism allows you to fully recline for a quick snooze or longer sleeping comfort
- Power control independently controls the headrest, lumbar and recline for a personalized sit
- Home button returns the headrest, lumbar and footrest to their original positions with one touch
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core
- USB port built into power control for convenient charging
- In stock and ready to ship
