FRAME

All Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.

SEATING COMFORT

Box border style seat cushions are removable and reversible. Seat cores feature multi-layered, contoured high resiliency CertiPUR-US® foam, wrapped in down blend (25% feather / 75% ball fiber) and encased in down proof ticking.

Box border style back cushions are removable and reversible (Leather & Leather Alternative casings are loose, but one-sided due to the breather strips. The inner cores can be rotated.) Back cushions are also down blend; encased in down proof ticking.
