Curated design, time-honored craft

The qualities that set Stickley apart

Intelligent design – For 120 years, we’ve known how to make furniture beautiful while continually improving its quality and functionality.

Superior craftsmanship – Our time-tested techniques and gifted artisans guarantee every piece’s strength and longevity.

Honest materials – Only the finest premium hardwoods, stone tops, hardware, and upholstery fabrics go into our product.

Hand-applied finishes – The clarity of our exclusive finishes allows the beauty of the wood’s grain to shine through.

Sustainable manufacturing – Our woods are sourced from FSC-approved timberlands and used with minimal waste. And nothing is more sustainable than furniture built to last a lifetime.

Family-owned – From the Stickleys to the Audis, the company has remained in the hands of families committed to its excellence.

Community-driven – When you buy Stickley, you support a local business that actively gives back to the communities it operates in.

Maidstone’s **Warm Nickel hardware** includes hexagonal knobs, ring pulls, and organically shaped branch pulls.

Upholstery can be covered in any of our **exceptional fabrics**, including recycled and performance fabrics, and **rich leathers**. A wide range of textures and colors allows you to create a look that perfectly complements your home.

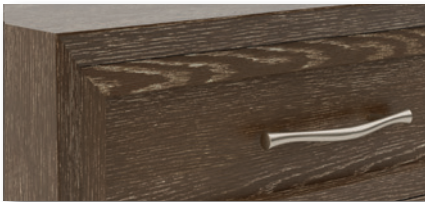

Maidstone pieces are available in **two cerused finishes** that highlight the wide, flowing grain of red oak. Sandbank (201) is a breezy, natural tone with a relaxed character reminiscent of broad beaches and bleached driftwood. Pier (202) is a brown with a cool tone and a slightly weathered appearance that evokes a boardwalk or a cabin in the woods.
