Patterson

FLEXSTEEL®

Generous Proportions in an Elegant Design

Prominently rolled arms and a padded front rail give Patterson its welcoming appearance. Overstuffed seat and back cushions on a large frame make it difficult to resist curling up on this piece. Fluted bun feet and optional nailhead trim add the finishing touches to Patterson.

DESIGNED FROM THE INSIDE OUT

For over 100 years, the Blue Steel Spring™ has differentiated Flexsteel products. Its strength and resilience creates a “just right” balance of softness, support and quality. So whether you’ve got big people or little people, wild jumpers or careless ploppers—not to worry—the Blue Steel Spring has got your back.
